COVID-19 UPDATE

To the residents of Terrestria:

During these unprecedented times of heath and financial upheaval; the Board of Directors are taking the following actions to protect the health of the community and financial liquidity of our association.

1. Following the recommendations of the State of NJ, closing the clubhouse and hall rentals until December 31, 2020.
2. Closing the office to non-essential traffic, we ask that all communications be via phone or email until further notice.
3. Place on hold all community improvements projects and re-evaluate on a month to month basis.
4. The Association was approved for the SBA Paycheck Protection Program for \$24,580 on May 4th which will help alleviate any financial impact from the pandemic. We will carefully follow the guidelines so the loan is forgiven and the Association will not have to pay anything on the loan.
5. Urge all residents to follow the CDC guidelines on Steps **to Prevent Getting Sick** (which includes social distancing).

Fall Gutter Cleaning

The fall gutter cleaning is scheduled to begin the first week of December. A reminder that we do not have the contractor remove or re-install your gutter guards during the cleaning process due to the liability to the Association, if the guards are damaged.

Please note that the contractor may need to use your outside faucet during the cleaning. If you do not want the contractor to use your water, please place a blue flag at the faucet. They will only use the water, if they need to clear the downspouts.

LEAF COLLECTION

Marksmen will begin the first leaf collection the week before Thanksgiving (November 16th). To make sure this program is a success, please comply with the following rules:

Try to keep all leaves unbagged at curbside, If you must use bags, please use paper bags only.

Have all leaves out the weekend prior to the start date.

Rake all leaves from your backyards to the front of your house. Do not rake leaves into the street, if it will block traffic.

Do not mix trash and broken branches with leaves. This clogs the machines and your leaves will not be picked up.

Do not park any vehicles in front of the leaves during the collection week. The leaves will not be picked up.

The first leaf collection is for the townhomes only. The single family homes will be included in the December leaf collection (the second leaf collection) which will occur within the first 2 weeks of December. The exact date will be in the December newsletter.

In addition, please lookout for Gloucester Township's signs on the road for Public Works leaf collection dates for Terrestria. A reminder that you must use large paper bags for Gloucester Township and mark your bags: grass, brush, leaves, etc.
